## STOMACH UPSET?

Get at the Real Cause—Take  
Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.

## Famous Old Recipe for Cough Syrup

Easily and cheaply made at home,  
but it beats them all for  
quick results.

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup at home. It is simple and cheap but it really has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2 1/2 ounces of Pinex from any druggist, pour into a pint bottle and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its healing effect on the membranes. Avoid disappointment by asking your druggist for 2 1/2 ounces of Pinex with full directions and don't accept anything else. Guaranteed to give complete satisfaction or money promptly refunded. ## NEWBURY PAID HER TRIBUTE

To the 98 Boys Who Entered Service in Great World War

SIX OF THEM DIE  
NOT RETURN HOME

Banquet Served, Concert Given, and Then Dance to Close the Observance

Wells River, Nov. 13.—The town of Newbury welcomed home her many sons who had seen service in the great world war at village hall last night with a banquet, concert, entertainment and dance.

At 6 o'clock a banquet, such as only a New England village can produce, was served to over 50 world war veterans, their mothers, wives, sisters and sweethearts, the few remaining G. A. R. veterans and those who saw service in the Spanish-American war. Over 100 were seated at one time and when the last coffee had been drunk and cigar or cigarette lighted, old acquaintances were renewed and the bonds of fellowship prevailed. Throughout it all, Nevers' orchestra, sequestered in the hall above, played.

At 8 o'clock the soldiers, their friends and the citizens of Newbury gathered in the hall to listen to a concert given by Nevers' orchestra, followed by an entertainment by Scott and Barry, known throughout New England as the "Minstrel Boys." Laughter greeted them throughout the performance and when the act was finished they were given hearty applause. From then until midnight and after, dancing was the only thought and who cannot dance when Nevers is in attendance? At intermission ice cream was served to everyone in the hall, whether soldier or citizen.

Great credit is due the committees who had this in charge for the endless amount of work and for the excellent time which was accorded the boys, their friends and citizens, which was absolutely free to anyone who cared to attend.

Newbury may well be proud of her 98 sons who fought for democracy and of the six who made the supreme sacrifice. At this time as at no other such a list of boys will be welcomed by all and in times to come looked upon with pride.

Such a list is as follows: Grant Mams, Kyle M. Bailey, Jacob Bailey, Dumont Bailey, Russell Bailey, William S. Bailey, Harry Barnett, George Belzel, William Berry, Morris Bigelow, Ernest Bisson, Roy Boemig, Roy Bowen, Betram Bowen, Earl E. ## ORANGE COUNTY FARM BUREAU

Notes for Week Ending Nov. 8.

On account of the storm the field work of the past week had to be postponed. The farm notes were prepared for printing and office work in general attended to.

This week work will be done mostly in the Tunbridge, Randolph, Randolph branch, Bradford and Newbury districts. In the Tunbridge and Randolph districts the work will be with the advisory council men in visiting members of the farm bureau and collecting back dues. There are still many of the old members who have not sent in their renewals. All they seem to be waiting for is for someone to get them to collect it. It would save a good deal of time if they would mail it to Mr. Tuthery, the treasurer of the farm bureau. In Randolph branch, Newbury and Bradford the work will be with the chairman of the dairy survey. In Randolph and Randolph branch districts the work will also be in the interest of a cow testing association.

The work on the dairy survey is making good progress. Two districts are beginning to come into the office. The other districts are getting more to help in the work. This survey is a big piece of work and it will need the cooperation of all the farmers.

Farmers' clubs that meet this week are Chelsea branch, Monday night; West Newbury, Tuesday night; West Bradford, Thursday night; and Wright's Mountain Friday night. On account of other important work in other parts of the county, the agents will be unable to attend the West Bradford and Wright's Mountain meetings.

Miss Holden, from the state extension service, will be in the county this week and meetings will be held at Jefferson hill Tuesday afternoon, North Randolph Wednesday afternoon and North Thetford Thursday afternoon. These meetings take the place of meetings that were scheduled for October and which were postponed. The subject of the meetings will be "Making
